---

Is there enough sky?  
Is there enough blue?  
For all the dreams that I have sent up to?

Where the clouds are dancing out the  
Shapes of life  
As I watch and wonder  
Who I might

Have been?

If only I  
If only I  
If only I  
Just didn't fear

Is there enough ocean?  
Is there enough sea?  
To hold untapped emotion  
From inside of me?

Do I dare journey  
To my deepest heart?  
Do I dare wonder  
Who I might

Have been?

If only I  
If only I  
If only I  
Just didn't fear

If only I  
... I could soar higher  
If only I  
... were truly free  
If only I  
... If only I  
Just didn't fear

Is there enough heat?  
Is there enough fire?  
So I can go free with my desire?

Or must I struggle with fire inside?  
As I wonder  
How you & I might

Have been

If only I  
... I could soar higher  
If only I  
... Were truly free  
If only I  
... If only I  
Just didn't fear  
... Just didn't fear

If only I  
... I could run deeper  
If only I  
... Open my heart  
If only I  
... If only I  
Just didn't fear

Are there enough hills?  
Are there enough fields?  
Is there enough Earth to still the  
The longings we feel?  
The echoes of dreams  
A distant call  
Oh, don't you wonder,  
At what we all

Might have been?

If only I  
... We could soar higher  
If only I  
... Were truly free  
If only I  
... If only we  
Just didn't fear  
... Just didn't fear

If only I  
... We could run deeper  
If only I  
... Open our hearts  
If only I  
... If only I  
Just didn't fear

Just didn't fear
